

2020 NFCU Active Duty Checking Military Pay Calendar

Not all NFCU members use Active Duty Checking accounts for their military pay deposits. Members with other types of checking accounts will have their pay deposited on the regular military payday.

NFCU Active Duty Checking pay deposit dates are colored in gold, and the regular military payday is colored in gray. NFCU credits anticipated military pay deposits one business day prior to the actual military payday, but because of their posting policies, any pay that would be received on a Monday is available for use on the preceding Saturday. Military paydays are the 15th of the month and the 1st of the following month. If the 15th or the 1st falls on a weekend or a federal holiday, the payday is the business day before the weekend and/or holiday.
